Dear Paul,

We just wanted to write you a note thanking you for all the help and expert advice you have given us in our search for a home on Amelia Island. It is such an advantage to have someone who takes the time to explain all aspects involved and has such a great understanding of the area and today's market.

We value all the view points you have given us and are so happy it was you we found to help us in our search for a home. We look forward to the future with your help and thank you once again.

Bonnie and Victor Gingell
